Holy Trinity Nursing & Rehabilitation Center Holy Trinity Hospice Ichabod Washburn Hospice Residence

Summer 2011

Dear Friends and Family,

Are you looking forward to those warm summer days, filled with cookouts and outdoor activities? Our **“seniors in residence,”** *our treasures*, anxiously await these days and the activities they bring! Cookouts and concerts in the Courtyard, outdoor exercise and activities, or simply just sitting in the sun watching all that goes on, provide enjoyment to our residents. In order for Holy Trinity to continue to provide these activities and the **top notch** care by our dedicated staff, **we need your help!**

This year we need to raise \$225,000 to cover the shortfall in state Medicaid reimbursements, which is growing more and more profound each year given the current economic conditions. Your philanthropic gift will therefore enable us to cover **one resident’s** Medicaid shortfall as follows:

\$50 will cover 1 day	\$250 will cover 5 days
\$100 will cover 2 days	\$500 will cover 10 days

Your financial support will help make an array of services available designed to improve the quality of daily life and overall experience of our residents, including:

- **24 hours per day licensed nursing and CNA personal care**
- **All the “comforts of home” including “home style” meals, laundry and housekeeping**
- **Life-enriching Activities including religious services, exercise, and entertainment**
- **On-site Licensed Rehabilitation Therapists which provide medical recovery services**

We realize that today’s economic climate has presented us all with many unforeseen hardships; in light of this, we ask you to remember Holy Trinity through your gifts and prayers. Please consider making a contribution to our ***Treasured Generations 2011*** Annual Fund to sustain the quality of care for all of our residents. We will be ***truly honored*** to accept your gift on behalf of our residents in support of the mission of Holy Trinity Nursing and Rehabilitation Center.

Thank you in advance for your generosity. *You can be assured that your philanthropy is invested in the provision of exceptional care, delivered with dignity and respect.*

Every gift is appreciated and every gift makes a difference!

Sincerely,

Francis J. O'Connor, Jr., President
