

Fact Sheet

OUR MISSION:

Holy Trinity Nursing & Rehabilitation Center provides a broad range of skilled nursing and rehabilitation services while maintaining the highest standard of personal care for our residents. Each person is treated with dignity and respect, in keeping with the values and traditions of the Orthodox Christian Faith. This care is delivered by a well-trained staff, whose contributions provide an environment for residents that is warm, compassionate and supportive.

OUR HISTORY:

Holy Trinity, which opened its doors in August 1994 after nearly a decade of planning, operates 113 beds of skilled nursing and rehabilitative care. The short term rehabilitation unit utilizes specially trained staff to provide the transitional care required in today's discerning health care market. Holy Trinity is a testament to the commitment of a community that strives to serve others.

Holy Trinity has been realized through the joint effort of the twelve Eastern Orthodox Christian Communities in Central Massachusetts. It is the fruit of over fifty years of cooperation and fellowship among these communities, who share a common faith, but represent different ethnicities and cultures. This achievement is unprecedented in the history of the Orthodox Faith in America.

THE HOLY TRINITY TEAM:

Karen M. Laganelli, M.H.A., Executive Director, has extensive experience in the Long-Term Care industry, encompassing both community and facility based services. The following Department Heads are a few of our team members who are dedicated to excellence!
